

CHMC TRAVELLERS PACK

April 2018

The Club members listed below (by locality) are willing to **help with emergency assistance to members of other CHMC Clubs travelling in their area**, and/or accept a **social visit**. When contacting these volunteers please be sure to give your name, mobile number and Club name and quote CHMC Travellers Pack as the source.

Thank you to those Club members who responded to our call for volunteers to provide assistance to travelling members of CHMC affiliated clubs in the event of a breakdown or other vehicle emergency or incident.

Over the years the Travellers Pack volunteers have proven invaluable to club members from other clubs motoring or towing out of their home area. *If you or your Club would like to volunteer to be listed in the Travellers Pack* to offer assistance with repairs, towing, garaging and connections to local trades and services just let Council know you are willing to have your name added to the Travellers Pack, please indicate all the details you are happy to provide and also if you are willing to receive a social visit from travelers from other clubs. To add your name to the Travellers' Pack volunteers list contact the CHMC Secretary. Thank you.

Note: Contacts below are for Emergency Help only unless otherwise stated.
